How to Use Your Policy

Your Policy

Your policy contains details of the extent of cover available to you, what is excluded from the cover and the conditions on which the policy is issued.

We wish to provide you with a good standard of service. To help us achieve this, it is important that you read this policy carefully. If it does not meet your requirements, or you have any comment or query about the policy, please contact us on **0845 303 1760**.

Your Schedule

Your schedule provides details of the insurance protection provided, the sections of the policy which are operative and the levels of cover you have.

Please examine your schedule to ensure it meets your requirements.

Index Linking

The sum insured by each item of Sections 1, 2 and 11 are index linked as a protection against inflation and at each renewal the premium will be revised in accordance with the index adopted by us.

Index linking will help to ensure that sums insured stay more in line with increasing costs and prices. However, this is dependent on the sums insured at inception being adequate. Please check these to ensure they are adequate and advise us if any alteration is required.
